2023-2024

## PELOUSE GRASS BAND

#fanfare #brassband

Pelouse Grass Band is a flowery and 100% recyclable brass band from Brussels.

A bunch of friends who blow brass, beat on leather sheets and stomp in the grass.

Even the immobile garden gnomes jump along on a wheelbarrow journey, from the carnival on Brazilian beaches to pumping funk, dropping the dancing masses into a 90s nightclub trance with arrangements of pop and techno classics.
